OFFICE OF THE (7)

NOTE.

Dated 15th March *19* 32

The attached communication is an application from the Swamigalu of Sri Yedugiri Ethiraja Mutt at Melkote. The Swami requests that the management of his Mutt might be taken over by Government as the Trustees for its management appointed by him have not carried out his instructions and are causing him considerable inconvenience in the maintenance of the Mutt and the performance of the religious functions attached to his office. The Swami saw me and made a personal request to the same effect. I know the Swami and I think we might afford him the assistance he asks for.

22 The application may be acknowledged and the Swami requested to state for what period the possession and managment of the properties of his Mutt should be taken over by Government. We should have definite information on this point.for taking action under Section 25 of the Regulation.

23 The application may be forwarded to the Muzrai Commissioner in continuation of the previous correspondence on this subject

subject for the grant of his opinion. It may be added that it is necessary to comply with the requests of the Swami. It would appear that the properties of the Mutt consist of only two or three pieces of land and some money invested in different forms. The administration of these properties is not likely to involve much work and the management would be limited to the realisation of the annual income from these properties and its disposal according to the directions of the Swami. The Madras Commissioner may be requested to state what arrangements might be made for this management.

24 As will be seen from the previous papers on this subject, the Swami is stated to have appointed a Board of Trustees and a copy of the document relating to this appointment is also in the file. Section 27 of the Regulation authorises Government to take over the possession and management of the properties of any Mata when the Matadhipathi voluntarily places the institution under the management of Government. If Government comply with the request of the Swami under this Section, any arrangement already made by him for management would, ~~xxxxx~~ I think, automatically cease. On this point, however, the opinion of the Law Department may be obtained.

25 Prompt action may be taken as indicated above. The Swami has represented to me that the Board of Trustees appointed by him are not giving him money even for his personal maintenance

law

Principle of law

31) Under the present law the management of the Mutt and its properties is vested in the Mathadhipathi. He can for purposes of convenience appoint ~~trustees~~ agents to carry out the duties of management, but he cannot delegate the functions of a trustee permanently into others' hands. The Board of trustees therefore are to be deemed agents for certain purposes and consequently the appointment is one which is revocable. If the Mathadhipathi voluntary seeks intervention of Govt under sec 25 of Reg VII of 1927, Govt may treat this as a revocation of the trust deed & enter into management of the properties. To remove any doubts in the matter, it may however be desirable that before Govt take over the management, the Mathadhipathi by giving due notice to the Board exercises his power of revoking the appointment made in the so called Trust deed -

The Govt Advocate will also be consulted in the matter, if appd.

b) Retirement of Trustees

Question for consideration is whether the Govt. can take over the possession and management of the properties of Institution, I, the Swamiar of Theradi is himself a Trustee as he holds the properties solely in trust for the purposes of the institution. Theradi Hundred was fixed at 270 (1st Edition). The general rule is that a Trustee cannot delegate his office or any of his duties to others. According to Cl(1) of the deed in question, the 'Kandyam Samudayam' - an indefinite body - is given full powers over the properties and the Swamiar is even deprived of the power of selecting his successor. It therefore contravenes the general law of Trusts and the Govt. may therefore take over the possession and management of the Institution and its properties as envisaged by the Swamiar under Sec. 25 of the Act.

If he has not already done so, the Swamiar may intimate this to the Trustees by a formal notice.

Sir,

I have the honor to state that the following resolutions were passed at a meeting of the disciples and well-wishers of the Sri Yedugiri Yetiraja Mutt of Melkote, held at the Sanskrit Patasala, Malleswaram, at 6 P.M., on the 15th instant. —

Resolution No.1. "That this meeting is strongly of opinion that the management of the properties of Sri Yetiraja Mutt by means of an independent Board of Trustees and well-wishers is the most economical and satisfactory arrangement and fully supports the permanent arrangement made under the trust-deed dated 25th September 1921."

Resolution No.2. "That this meeting respectfully prays that His Holiness the Swami be pleased to withdraw his application made to the Government and abide by the terms of the Trust-Deed dated 25-9-21, executed by His Holiness by the advice and with the consent of the disciples and well-wishers of the Mutt with or without such modifications as may be decided upon by the said donors, disciples and well-wishers of the Mutt."

Resolution No.3. "That a Committee be constituted consisting of five gentlemen, one to be appointed by His Holiness, one by the Board of Trustees-not from among themselves, and the three others selected at this meeting of devotees and well-wishers of the Mutt, to enquire into the differences between His Holiness and the Board of Trustees and try all possible means to bring about an effective compromise between His Holiness and the Trustees; that the quorum for this committee be three only: that the action taken by it be reported to the general body by the 20th June, and ~~that~~ for this purpose that it be empowered to convene the meeting on a suitable date".

Resolution No.4. "The following gentlemen be the committee members as referred to in the resolution No.3:—

4 Disciple & Well-wisher of the Matha)

My Dear Devotee,

I have to bring to your notice a very urgent and most deplorable case, for being set right immediately. The present Swami of Sri-Yatiraja Matha of Melukote has been recklessly travelling from place to place in the Motor-bus and in the Railway-train by mixing with all classes of people, against the wishes of the Trustees and the Disciples who want to maintain the time-honoured prestige of the Math. No Swami of any of the great Maths in South India is so recklessly travelling in the Railway-train or motor-bus. This Swami is incurring a large expenditure by travelling unnecessarily, and is not staying at Melukote to attend to his Religious Duties as a Mathadhipati.

Hoping you will kindly do the needful immediately
Yours obediently
Sd/- [illegible]
23-6-32

The sum ——— money forming the Math Property at present is in the hands of a Trust Board; and the Swami wants to use the money at his own pleasure and has recently applied to the Mysore Government through the First Councillor (who was once his student) to take charge of the Math property for the Trustees. The Disciples and Well wishers of the Math are extremely sorry for the attitude and conduct of this Swami; and are holding Meetings to consider what steps they have to take in the Matter. There were two Meetings held at Malleswaram recently, under the presidency of Sir C. R. Reddy Kt. & Rao Bahadur R. Narasimhachar Avl. M.A.; and the Disciples and Well-wishers have resolved to send a Deputation to Govt. to explain the situation, as the Swami does not yield this

Under these circumstances, it will be most necessary for Your Highness to intervene and to see that the Swami acts according to the Wishes of the Disciples and Well-wishers and Trustees staying at Melukote (as he is in his old

This is a copy of the Trust Deed executed by the Swami of Melkote Mutt and he gave it to me yesterday. He represents that the Trustees are not properly carrying out ~~the~~ his instructions and are causing him considerable inconvenience and annoyance. Let us examine whether this is a Mutt coming under the Religious and Charitable Institutions Regulation and if so what are all the powers we have for helping the Swami out of the difficulty represented by him. Whether any legal difficulty is created by the Trust Deed which is in the way of giving him relief may also be examined. Early action may be taken. This is in confirmation of a personal note I sent ... this morning

Financial Secretary to Government
with compliments.

Sir,
26/5

In continuation of my letter No. C. O. 205/31-32 dated 4th instant regarding the application of Sri Venkatramana Bhatta, I have the honour to forward herewith the copy of letter dated 19th May 1932 received from Mr. A.A. Narasimha Iyengar, Pleader, Mysore, in connection with the above matter and state that Bangalore Subbarayappa Chetty & Co. ... Nagesvara Iyer & Sons, Solicitors, Court of Wards, the trustees find it delicate to give a definite reply either one way or prejudicially against it. This is an additional reason why the proceedings should not be taken under Government consideration.

I have the honour to be,

Sir,

Your most obedient servant,

S. Hiriannaiya
Muzrai Commissioner.

With reference to your D.O.No.C.1549/33-C dated 31st March 1933 regarding the affairs of the above institution, I am desired by the Trustees to state that as it has not thought fit to approach Mr. K.B. Nagesara Iyer as advocate in this matter, as already mentioned in the letter of the Court of Law against the Trustees, the Trustees find it difficult to give a definite reply as it is a work rejudicially against Mr. K.B. On account of heavy official work, I have ceased my connection with this institution and future communications on this subject may be addressed to Mr. M.T. Narani Nagar, retired Professor of Mathematics who is the senior-most Trustee.

With best regards.

Yours truly"

For Guzrai Commissioner.

Sir,

In continuation of my letter, dated 12.5.32 I beg to state that Mr. A. R. Nageswara Iyer writes in his letter dated 25th May 1932 that he met H.H. the Swami of Sri Yaduraja Matt the previous day and explained to him the terms proposed on behalf of the Trustees, and that the Swamiji is not agreeable to a settlement on those lines. Copies of the correspondence between Mr. Nageswara Iyer & the Trustees in this connection are enclosed for reference.

I beg also to further state that at Meeting of the Disciples & Well-wishers of Sri Yaduraja Matt held on the 15th May 1932

a Committee was appointed to enquire into and settle the differences between Holkars and the Board of Trustees the Trust Board was asked to nomin has nominated a Member to serve the Committee. The Report of this Co is expected by the 20th June 1932.

Copy of letter dated 15th March 1932. from Mr. A. S. Narasimha Iyer, B.L.? Advocate, to Mr. V. Narasimhiyengar, Secretary, Sri Yatiraja Matt Trust Board,

This is without prejudice. In persuance of your talk with me some time back in connection with the affairs of the Melkote Matt, I met the Swami two days back and had a detailed discussion with him about the matters in dispute. He seems to resent the very bitterly the treatment given by the Trustees all along. And it is with some difficulty that I was able to persuade him to accept some terms which could not prejudice him to a great extent. If I remember correctly you were agreeable to hand over all the income of the properties belonging to the Matt to the Swami.and give him a free hand in the management of the Matt. As trustees you willbe entitled the management of the Matt properties. The income from the properties must be paid to the Swami very regularly on dates to be fixed by both of them. Failure to make prompt payment will entail the cancellation of the Trust Deed. As it is desirable that the objects of the Matt should be advanced in every possible manner, it is necessary that the Swami should be given a free hand to some extent.

For the terms that I have now proposed I do not believe their can be any reasonable objection on the part of the Trustees. If you will find the terms acceptable to the Trustees, I shall be thankful if you will arrange in that manner without delay. I have requested the Swami to wait for your reply before acting further. Please consider the matter deeply and try to have the matter amicably settled. Please reply early.

Reply dated 14th April 1932.

This is without prejudice. I am in receipt of your letter dated 15th March 1932.regarding the relationship between the Swami of the Yatiraja Matt and the Board of Trustees. I see that you propose certain terms which if adopted would bring about an amicable settlement between the Swami and the Trustees. I deal with them point by point. You sujjest :

1. That the Board should be agreable to hand over allthe income of the properties belonging to the Matt to the Swami and give him a free hand in the managment of the Matt.
2. That as Trustees we would be entitled to the managment of the Matt properties.
3. That the income from the properties must be paid to the Swami very regularly on dates to be fixed by both .
4. That failure to make prompt payment would entail the cancellation of the Trust Deed .

The reply of the Trustees is as follows:

1. Yes,this is being done even now. If further facilities are required the Board will be prepared to consider the same. Only His Holiness may be pleased to render an account of expenditure and income, which the Trustees will have to incorporate in their annual report. (Vide paras 8, 11 of the Trust Deed.)
2. Yes, It is also their duty to see that the investments are safe and sound.
3. Yes, as they accrue, subject to the requirements of the Trust Board for the administration of the Trust. But, the accounts of the same actually spent and received should be reach the hands of the Trustees at least once in three months as suggested in (1). The responsibilities of the Trustees will not be properly discharged unless the accounts of the Matt etc. conducted in the Matt are incarporated in the report for the Trustees who are responsible for the Matt Investments not only to His Holiness but also to the numerous Donors of the Funds. Details may be settled by His Holiness and the Trustees talking over the matter at a meeting.
4. Failure as suggested cannot operate to cancell the Trust Deed. We may together think of measures by which would prevent default in regular payments

If you will kindly arrange for the Swami to accept the above terms,the tees will be glad to settle the matter in accordance therewith. It is ily not the intention of the Board to cause annoyance to the Swami or make it possible by their action for such a feeling to be entertained

by him . The Trustees are most willing to do everything possible to satisfy His Holiness the Swami in all matters as provided in the Trust Deed. The Board hopes that you will kindly use your good offices to see that the matter is settled amicably between them and the Swami. If this amicable settlement is accepted it is believed that His Holiness the ~~H~~Swami will withdraw his complaints to the Muzrai Commissioner.

Yours sincerely,

espected Sir,

It is a matter of grave concern to the desciples nd well wishers of the Sri Yedugiri Yathiraja Mutt, that serious ifferences having arisen between His Holiness the Swami and the rustees of the Mutt, His Holiness had to seek redress at the hands f Government. If the desciples had come to know of the strained elationship earlier, they would have taken prompt action to set atters right.

At a largely attended Meeting of the Members of he community recently held under Chairmanship of Rao Bahadur Narasimhacharya, a Committee was appointed to bring about an ffective reconciliation between His Holiness and the Trustees. copy of the resolution was submitted to Government with a request o kindly stay actions till 20th June 1932 the date on or before hich the Committee has to complete their deliberations.

I am now directed to place before you the fact hat the Committee has been very active in holding consultations oth with His Holiness and the Trustees and are trying their level est to bring about a compromise. The result of the Committee's
